What is Speaker Studio Services?

Speaker Studio Services provides tools and coaching to individuals or businesses that are starting a speaking business or wanting to market their services through speaking.

Do you have expertise in an area that is in demand? Or are you already speaking to groups but not being compensated for your work? Speaker Studio Services will help you get off the amateur trail and onto the professional highway.

How Does it Work?

1. Register at www.SpeakerStudioServices.com (no cost) to begin receiving monthly tips to starting or growing your speaking business. There is no fee to become part of the Speaker Studio Services (SSS) community.
 2. Once a member of SSS, you will have immediate access to articles, audio tips, speaking tips, marketing ideas, industry news, forums, etc.
 3. Browse the Speaker Studio Services store. There you will find more in-depth products designed to help you with all aspects of your speaking business.
 4. Ideally, start with Get Paid to Speak - Part 1 - "Getting Started." This program is available in either a video seminar format or audio only format. It is less than 30 minutes in length and will give you the foundation you need to get started.
 5. Ready to start marketing yourself? Become part of The Speaker Studio, the broker of high-quality, affordable speakers, trainers and entertainers. This site is marketed nationally to meeting planners, conference directors, HR managers, and association executives. In other words, it is marketed to those that *pay speakers*.
